To All Associations

The Boulevard Hotel in Newmarket has offered us a competitive rate for players and referees in the 2008 NZ Billiards & Snooker Championships. The location of this hotel is very central with the centre of Auckland only 10 minutes away by car, and 10 minutes from the Onehunga Workingmen's Club, venue for the 2008 NZ Billiards & Snooker Champs. Newmarket also has many restaurants, café's, bars and is also Auckland's shopping Mecca.

We encourage you to take advantage of this offer, as this is the only venue where we will arrange for transportation to and from the Onehunga Workingmen's Club.

Please book directly and quote "Auckland Billiards & Snooker Association" to get this discounted rate for a twin share room.

Should your members take advantage of this offer, please also advise the Auckland Billiards & Snooker Association by email ([admin@acbs.org.nz](mailto:admin@acbs.org.nz)) so we know how many we need to organize transport for.

We will also need to be advised of flight details so we can arrange transport from the airport to the hotel.

See you at the Champs!
