**ALL LADIES Welcome!!!**

By now all ladies that have been playing snooker for a while should have a good basic knowledge and grounding of the game. Our aim is to assist you with lifting your own level to a standard that makes you more competitive. There will be a number of coaches and experienced players to help give different perspectives of the game and strategies that have helped them to get to the level they play at. Take what you want and file the rest to try out later.

You must be a financial member of  
NZWBSA 2009 INC - \$10.00 Subs
